

First Responders to Aircraft Accidents

Your presenter has over 37 years in the Aviation Industry, 18 years in EMS Transport, 10 years in National Ski Patrol, and 10 years as an Accident Investigator for the FAA, this event was designed to walk attendees through the in's and out's of an aircraft accident. Included in this training will be a "hands on" to aircraft in the local area.

Directions: The Training Course will be located at Firestation #2 located North of the Williston Airport, West of Highway 2. This event will be split into to locations:

- 1) For Hands On Aircraft Training, starting at 1600 or 4pm, go the Williston Airport and Signature Flight Support main building lobby. From there you will be directed to the aircraft hands on training.
- 2) We will take a break for supper from 1645 to 1800.
- 3) Go to the North Fire Station Number 2 located North of the Williston Airport on 58th Street. Class will begin at 1800 and should end sometime around 2100 at the latest.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
