

# MOT LRSAT Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at MOT involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year.

**Directions:** The Minot Airport is on the North side of the city and just East of Highway 83 North as you are leaving town. Park in the Minot Terminal "Short Term" parking lot. Parking will be validated at the meeting.
