

Have not flown in a while? Flying after a period of inactivity can be a challenge

EAA 380 will be hosting this aviation safety event. We will utilize the terminal building at Grafton for this meeting.

Along with the main topic, we will also be available to discuss the new BasicMed and what we have been seeing across the state since its inception.

Directions: From I29, take Exit 176 thence West for 4.5 miles towards Grafton. The airport is on the East side of town.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
