

## Cloud Seeding Why How and Where

Enjoy a bowl of chili on a cold winter evening as we listen to Jody Fischer, the Director of Flight Operations for Weather Modification International as he discusses the importance of cloud seeding throughout the world. Why modify the weather? How is it done? Where are the locations?

**Directions:** West Blue Building, Door #2, Upstairs.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
