

## Aircraft Accidents for First Responders

This event is designed to introduce the public, local and volunteer Fire, EMS, and Law Enforcement types as well as airman of what to expect when they are involved with an aircraft accident scene.

We will discuss the potential hazards which will affect you as a first responder. We will discuss personal protection, "things that go Boom", who to contact, who's in charge, what not to do, and so on.

**Directions:** This event is being held at the Billings County Fire Substation located on the west side of Fairfield, ND. From Belfield, ND, go North on State Highway 85 to Fairfield, ND. At the intersection of Blacktail Road or 20th Street SW go West 1/4 mile to the firehouse located on the North side of the street.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
