

Looking at Michigan Aviation Accidents

Reviewing the errors that led to an accident is a good method for pilot to learn how to avoid them.

Directions: Exit I-94 at State Street, and turn south. Go to the first light turn right on Airport Drive. Take this road to the very end. The seminar will be in the main terminal building conference room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
