

Michigan FAASTeam presents:

MDOT/EAA 1259 Pilot Safety Seminar

The evening begins at 6:00pm with a pizza party hosted by EAA Chapter 1259. Then at 6:30pm join us for an interesting look into some recent general aviation accidents and incidents. What went wrong? What can we do differently? Let's learn from others' mistakes.

Directions: Seminar will be held in the EAA Chapter 1259 hangar.
