

## MDOT/Gratiot Community Airport Safety Seminar

A look into pilot deviations, both on the ground and airborne. Why do pilot deviations happen? What can we do to reduce the number of deviations?

**Directions:** Seminar will be held in the Three Point Aviation hangar. It is the large grey hangar on the right side of the parking lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
