

## 'Where's the Class 'F' Airspace?'

After the check ride, many pilots soon forget all the nuances of the National Airspace System. This presentation will explore the many facets of aeronautical charts. This seminar will review the various airspace classes plus lesser known features and a brief review of airspace outside the U.S.

Drawing for 10 gallons av gas for seminar attendees...must be present to win; Free barbecue 5:30-6:30 compliments of Skyway Aviation. Seminar starts at 6:30.

**Directions:** Terminal building on the airport.
