

IFR topic - Obstacle clearance

This seminar is an IFR review of obstacle clearances. During approach and departures, IFR pilots need to know the clearances of obstacles. In addition, published departure procedure requirements.

Directions: Take I-94 to State Street, turn south. Go to the first light, which is Airport Drive. Turn right. Take Airport Drive to the very end. The seminar will be in the main terminal building conference room, in the basement.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
