

DTW Class B Operations

DTW ATC will be providing us with an update on the New Class B airspace, and how pilots can work more easily with ATC.

Directions: Exit I-275 at Ann Arbor road. Turn west and go to Lilley road (approximately 1 mile). Turn south and go to the main airport entrance road (about 1/2 mile) and turn left into the entrance. The first building on the right is the EAA building. Overflow parking is available next to the parking lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
