

The Good, the Bad, and the Ugly!

Why that airport you are planning on flying into may not be as pristine as you think. The importance of thorough preflight planning and the many hazards that await the unwary aviator. Real world examples of the subtle dangers that lurk at many airports. This fast paced, revealing presentation will open your eyes to a host of unpublished hazards that pilots should be ready for every time they fly. Presented by the Chief Airport Inspector for the State of Michigan with over 40 years of airport inspection experience.

Directions: I-94 to exit 266 (Gratiot Ave). West on Gratiot then north on Airport Dr. to FBO Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
