

East Michigan FAASTeam Safety Seminar

Being prepared to survive an aircraft accident and the moments after the crash is of utmost importance and the most popular aerial topic is UAS, a discussion with coping with them while flying our aircraft. All non-flying, potential UAS owners are encouraged to attend.

Directions: The conference room is on the main floor of the terminal building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
