

EAA Chapter 333 IMC Club Meeting Mastering the Art of Instrument Flying

The EAA/IMC Club provides organized "hangar flying" focused on building instrument flying knowledge and skills. The club promotes a safety culture through continued education. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. You do not have to be an instrument rated pilot to attend. All are welcome.

Directions: Exit I-94 at State Street. Turn south and go to the first traffic light. Turn right on Airport road. That that road all the way to the end. The terminal building is left of the airport tower.
