

FAASTeam EMI FSDO presents:

# EAA Chapter 113 IMC VMC Meeting

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. You do not have to be an instrument rated pilot to attend. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting. For more information <https://www.eaa.org/eaapilots/EAA-pilot-proficiency>

**Directions:** Take Ford Rd or Ann Arbor Rd. to Lilly Rd. in Plymouth.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

#### **A message from the National FAASTeam Manager**

Earn your WINGS to get a chance to win a cash prize. Go to [www.mywingsinitiative.org](http://www.mywingsinitiative.org) for more info.
