Michigan Aviation Safety Forum IA Renewal Saturday, February 19, 2022 Online Event

Dear Attendee;

Congratulations! Your registration for the 2022 Michigan Aviation Safety Forum IA Virtual Seminar February 19th is confirmed. Please review the following event information and guidelines.

1. Prior to the event, you will receive an email with Zoom meeting details and passcode for the event. This is your access information for the event. Each attendee must be registered individually on [FAAsafety.gov](https://www.faa.gov/ia) in order to be eligible for IA credit. This email will also include instructions on checking system requirements to avoid any day of connection issues. Please follow these instructions to avoid any complications.
2. The seminar is 8 hours in length to meet the minimum eight-hour requirements for IA Renewal.
3. The day will begin promptly at 8 AM EST. Please log in at least five minutes prior to the event to ensure your connection. Please keep your microphones muted throughout the seminar to allow the presenters adequate time for their presentation and to conserve bandwidth. Q&A will be addressed in the chat as appropriate.
4. Each hour will consist of a 50-minute training session and a 10-minute break, there will also be a lunch break between 11:50 & 12:30.
5. Per FAA guidelines, each attendee will be required to meet minimum attendance requirements to substantiate presence and participation in the course. To measure this, a poll question will appear on your screen during each of the 8 presentations. The timing of when the questions appear will vary from hour to hour. Failure to respond to a poll question will disqualify IA renewal credit for that associated seminar.

It is critical that you respond to each poll in order to receive IA credit for your attendance.

6. IMPORTANT!

Please ensure the email address you used to register for this event matches the email address you use for [FAAsafety.gov](https://www.faa.gov/ia). **If the email addresses don't match, you will not receive credit for your attendance.**

7. Following the completion of the event and confirmation of your participation, credit will be granted within 2 weeks following the event.

If there are any questions, please contact Don Brown Donald.s.brown@faa.gov

We look forward to your participation in this event!
