

East Michigan Flight Standards District Office Monthly Safety Meeting March 2026

Event Details

Introduction to Human Factors & Safety Culture

Discuss the benefits of Human Factors Education and training. Human Factors education is particularly effective in improving Aeronautical Decision Making, Safety Risk Management, Crew Resource Management, Aircraft Design and Automation, Human Performance and overarching Safety Culture.

Teaching Points:

- Human Factors Education and Training are beneficial in improving pilot performance and efficiency.
- A robust, positive Safety Culture is key to safe aircraft operations.

Tue, Mar 17, 2026 at 10:00 EDT

JDV Conference Room

6500 Highland Rd

Waterford, MI

Contact: Zachary P. Ortiz

(734) 487-7205
