EAA Chapter 333 IMC VMC Club

EAA VMC/IMC Club provides a
"hangar flying" experience organized around
visual or instrument flight, in order to promote
safety, education and proficiency.

Every meeting consists of a scenario
presentation and group discussion about unusual
or interesting charts, changed rules or
procedures, and member experiences. We also
have occasional guest speakers and snacks!

**The scenarios we will discuss at this meeting
are as follows: For the VMC presentation,
"Upside Down", focus will be on Basic
Flying Skills, Risk Management and
Weather. The IMC presentation, "Last chance
for Landing", will focus on Basic Flying
Skills and Risk Management.**

Bring your EFB, your experience, and your
questions and be ready to participate.
