Join us as we welcome Ray Christ from Lycoming to talk about aircraft engine safe operation, care and maintenance. This is a program for pilot and mechanic alike to help better maintain the motor on your aircraft. A special guest speaker, Major Chris Belli from the TOL 180th Fighter Wing will spend some time discussing collision avoidance and the military aircraft you are sharing the airspace with. This free event is sponsored by EAA Chapter 50, Strayer Aviation Insurance and Griffing Flying Service. Local Contact, Don Roth (419) 668-0855.

Directions: Turn left at the gate to building A. This program sponsored by EAA Ch. 50, Strayer Aviation and Griffing Flying Service.

Message from the National Safety Program Manager:
