

ECOPA Air Safety Seminar-April 2013

1. An analysis of General Aviation accidents involving thunderstorm encounters. Also, tips to keep you safe while flying during the convective season. (Darren Gaines, CLE ARTCC)
2. What steps to take in order to increase your chances of surviving an airplane crash. (Stephen Smith, CFII)

Directions: Seminar will be held in the Summit Air FBO hangar on the north/east side of the airport. If flying in, announce on unicom 123.075 that you are attending the safety seminar and the FBO will direct you to the parking area.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants.
