

Runway Safety Pilot/Controller Forum

Attendees will rotate through the tower and radar rooms followed by a question/answer/panel discussion with controllers. The seminar will begin with the airport manager sharing future plans for Akron-Canton Regional airport (CAK).

Directions: If driving, park in the Long Term (Lot B) on your right as you enter the airport. You will receive a parking pass at the seminar. If flying, after landing, ask for progressive taxi to McKinley Air. Meet in the conference room on the 2nd floor of the main terminal building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
