

CFI Open Forum - 'Conducting the Instrument Proficiency Check'

The purpose of this forum is to review and update the CFI on the elements of the Instrument Proficiency Check. At the end of the program the CFI will be able to list the necessary elements of the IPC and describe the responsibility he/she has related to the pilots being reviewed.

Directions: For turn-by-turn directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally or similar. Event will be held in the EAA Chapter 582 Hangar, 2nd Floor Conference Room.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
