

Owner/Operator Maintenance

The FAA will be discussing Owner/Operator Maintenance, what you can do on your own aircraft and whether or not you should. This event is design to provide an overview of the regulations relating to the maintenance activities that an owner/operator may perform. Additionally, you will receive an overview of the FAASafety.gov website, WINGS program, and AMT On-Line program.

Directions: The event will be held in the Salem Airpark FBO conference room. For turn-by-turn directions please use internet software such as MapQuest, GoogleMaps, Rand McNally, or similar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
