

CFI Open Forum - 'Teaching Emergencies' and IMC Club Meeting - Toledo Chapter

This presentation acquaints the audience with pilot responses to emergency and abnormal situations and offers advice on preparing students for emergency situations. The program includes opportunities for class interaction and a class exercise in developing best practices for emergency training. You do not have to be a rated CFI or IMC Club member to attend this presentation.

Directions: The CFI Open Forum "Teaching Emergencies" is the second of a four series program. Mastering the Art of Instrument Navigation: An introduction to scenario based learning. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. Event will be held in the EAA Chapter 582 Hangar, 2nd floor conference room. For turn-by-turn directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally or similar.
