

## 'Single Pilot-CRM'

The General Aviation Joint Steering Committee (GAJSC) and your local FAA Safety Team (FAASTeam) are working together to present a monthly topic that improves aviation safety. March's topic is "Single Pilot-CRM". The GAJSC is working to improve General Aviation safety through data driven risk reduction efforts that focus on training, education, and outreach.

**Directions:** Event will be held in the Liberty Aviation Museum conference room. For detailed driving directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally, or similar.

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
