

Airport Operations Safety Meeting

Due to the increased activity of helicopter operations at Carl R. Keller Field (PWC), the FAA is conducting an airport operations safety meeting to discuss general safety concerns relating to the safe operation of fixed wing aircraft and helicopters.

Directions: This meeting will be held in the Main Terminal Building at the airport. For turn-by-turn directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally, or similar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
