

## ECOPA Air Safety Seminar-February 2016

1. How using a flight simulator is the most convenient, safe, and affordable way to maintain pilot proficiency and instrument currency.
2. To inform and entertain on safe flying and a few reminders on cold weather operations.

**Directions:** If considering flying in, call 330-896-6332 on Friday to see if the gate at the museum will be open. Remember KCAK is Class C airspace. Ask for progressive taxi to MAPS Museum. Seminar is in the Library.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
