

ECOPA Safety Seminar-April 2016

Join the CAK Public Safety/Operations Manager and his team for a behind the scenes tour at our important regional airport. You'll learn about such vital topics as Fire and Crash Rescue, Runway Maintenance and Snow Removal, Wildlife Hazards and Control, and much else.

Directions: If flying in, remember KCAK is Class C airspace. Ask for progressive taxi to McKinley Air. Call 330-581-9278 for a ride to the seminar facility. If driving, Mount Pleasant Road runs along the south side of the airport. The driveway of the Firefighting facility runs north off of Mount Pleasant.
