

Temporary Flight Restriction Review with Republican National Convention Specifics

We will cover the rules and regulations governing Temporary Flight Restrictions (TFR). The GAJSC Topic of the Month will also be covered. In particular, we will review: What is a TFR? Where can TFR information be found? What counts as a valid briefing to keep me aware, legal and safe? How can you get TFR information in flight? How are TFR's plotted? What do I do if I goof up and plow through a TFR? What is 30, 3 and 3? What information is there on where and when I can fly around Cleveland during the RNC?

Directions: For turn-by-turn directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally, etc.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
