

EAA 582 IMC Club Meeting

The purpose of the EAA 582-IMC Club is to promote instrument flying, proficiency and safety.

We offer Organized Scenario Based Discussions "Hangar Flying" Focused on Building Proficiency in Instrument Flying.

Our intent is to create a community of pilots in order to share information, foster

communications, promote safety and build proficiency in instrument flying. The EAA582-

IMC Club will offer monthly real world scenarios to engage our members and allow them to share and build their experience. All pilots welcome.

Directions: Recommend getting directions from Google Maps

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
