

# Owner Operator Maintenance Preventative Maintenance and Records Basics

Steven Steele of the CLE FAASTeam will discuss the proper way to go about working with your A&P IA to ensure the maintenance, preventative maintenance, & record keeping you are performing on your 14 CFR §91 aircraft is performed correctly and documented correctly by both you and the A&P IA. IA's will learn how to keep themselves and the owner operator legal and ensure the airworthiness of the aircraft.

**Directions:** Main Conference Room

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
