

Owner Operator Maintenance Preventative Maintenance and Records Basics

Steven Steele of the CLE FAASTeam will discuss the proper way to go about working with your A&P IA to ensure the maintenance, preventative maintenance, & record keeping you are performing on your 14 CFR §91 aircraft is performed correctly and documented correctly by both you and the A&P IA. IA's will learn how to keep themselves and the owner operator legal and ensure the airworthiness of the aircraft.

Directions: Main Hangar

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
