

Safe Summer Flying- 25 Things to Know

Unfortunately, every year we read about accidents as folks get back into the air after a long winter in the north. What can we know and consider to make ourselves safer pilots? Join us as we discuss 25 things to make you a safer pilot.

Directions: Main Terminal Building area to the east of Subway restaurant.
Enter building, main floor to east of building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
