

Drones sUAV Unmanned Aeronautical Getting FAA Certified

Drones, sUAV, Unmanned Aeronautical Vehicles will be presented with the general public, the aviator, the city administrator, local police, first responders and attorneys in mind. The history of Drones and sUAV, Part 107 Certification process, the Hobbyist Rules and the Pirker cases will be discussed. This will be lead by Jason Lorenzon, lead faculty for Kent State, Part 107 Certificated sUAV Pilot, Commerical Pilot and CFI. This presentation will culminate with a panel discussion comprised of industry professionals.

Directions: Please use Google or Google Maps or anyother GPS device to determine actual location.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
