

No one is perfect - error is inevitable

Aeronautical decision making is an integral part of preflight planning, actual flight and post flight.

How do you as a pilot evaluate evidence, make decision on a course of action and then evaluate that process?

Directions: This the first topic as part of the YNG Wings Day Meeting will be held in the main terminal building, parking available in the front.

Prior to attending a safety seminar please review and abide by current CDC, State, and Local Health Guidelines

A message from the National FAASTeam Manager
