

## IFR Back to Basics- Getting the Pilot and Aircraft Ready for IFR

This seminar will cover what is required for the IFR pilot to be ready for an IFR flight and what is needed for the plane to be ready. Items covered will include:

- Understanding the 6 HITS
- What is required for an approach to count in the airplane
- What is required for an approach to count in a simulator.
- What is current and what is proficient.
- Setting personal minimums.

Conference room of the main FBO building
