

## High (er) Altitude Awareness

Join us at 1500 for our open house with burgers and brats, the WINGS program will start at 1600 hours.

High altitude is not just about higher than 12,500 or 25,000 there are other non regulatory considerations about flying high you should know to be safe AND legal.

This program will cover definitions, risks, benefits, and regulations regarding high (er) altitude flights.

Come to T Hangar A (This is the T hangar farthest to the east of all the T Hangars and the first one west of the FBO).
