

Flying into Oshkosh-The Busiest Airport in the World

This program will review the AirVenture NOTICE that provides the information that every pilot should have for his flight into Oshkosh. Handouts of the NOTICE will also be available. Personal insights will be passed on based upon experience gained from flying into and out of OSH for many decades.

Our chapter hangar is located via Greenwich Rd. and S. Kane Rd., Wadsworth, OH. Turn north onto S. Kane Rd., and at the end, turn right and enter the hangar road via the northwest area of the airport. Turn left at the fourth taxiway and go to the end. We are the last hangar on the right.

A message from the National FAASTeam Manager
