

EAA Chapter 846 VMC Club

We will be reviewing radio communications with ATC at controlled fields, as well as at uncontrolled airports. We will conduct an exercise in situational awareness and determining locations of nearby aircraft. Some aspects of ForeFlight will be covered, as well as the FAA General Aviation Joint Safety Committee topic of the month. All aviation enthusiasts are invited to join us. FAA Wings credit will be available for this meeting.

We will meet in the classroom in the terminal building at Skypark Airport.
