

Toledo (TOL) Runway Safety Action Team (RSAT) Meeting

The purpose of this Runway Safety Action Team meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations, pilots and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

The RSAT meeting will be held in the Toledo Express Banquet Room. Attendees should park in the short term parking lot and enter the terminal. Then, proceed to the left of the TSA screening area to the Port Administration offices. Signs will be posted providing directions from there.

A message from the National FAASTeam Manager
