

Pilot Controller Forum - KCAK

November 12, 2025, we will have a pilot controller forum. Representatives from the KCAK tower and Cleveland Approach will be on hand for an informative, interactive, and fun presentation and question-and-answer session.

Meet the familiar voices you hear and speak with while operating in and around Cleveland, Akron, Mansfield, and Youngstown and have an opportunity to ask questions and participate in some constructive dialogue with Air Traffic Control.

WHAT ABOUT DINNER? Glad you confirmed this part of the clearance as pilot "deviations" are not encouraged, or even necessary. Pizza and soft drinks will be provided by NEOPA.
