FAA Safety Team presents:

Coffee with Controllers

Speak with your local Air Traffic Controllers, and demystify the National Airspace System! Coffee and light snacks provided. Please join us on 11/14/26 at Wood County Airport for our 2nd Anniversary Coffee with Controllers. We'll be talking practice approaches, pattern traffic, option clearances, and expectations. As always, we'll follow our safety conversation with a question and answer session!

This event will be held in the multipurpose hangar at the Wood County Regional Airport.
