

South Dakota FAASTeam presents:

South Dakota Aviation Symposium

Attendees will be able to choose one of two IA Training courses available during this seminar. One 8 hour training course will cover Garrett TPE 331 maintenance. The second choice of training will cover a variety of topics including aviation fuels, oils, propellers and PT-6 maintenance, avionics, FAA/PMA parts approval and SUPS.

Directions: Class schedules available upon arrival at the Convention Center.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
