

SDSU Aviation Program Fall Safety Meeting

This meeting is the fall semester meeting for the SDSU Aviation Program. This program is geared towards SDSU students pursuing an aviation major but is open to all. We will cover winter operations, safety practices and procedures, survival kits, and construction issues in regards to the Brookings Regional Airport construction project.

Directions: On the South Dakota State University (SDSU) Campus in the Rotunda Arts and Sciences Building (Rotunda Room B)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
