

SDSU Spring Safety Seminar

SDSU upper class aviation students will present two topics relevant to pilots operating aircraft in the upper Midwest. This presentation is in conjunction to the annual Industry Advisory Board meeting. Industry board members as well as many students will be present for the meeting.

All are welcome to attend. 1:00pm to 2:30pm - Presentations. 2:30pm to 3:00pm - Refreshments and networking with SDSU Aviation Industry Board members.

Directions: Wagner Hall is located on the campus of SDSU and is the building connected to the Rotunda Hall. Parking is available on the east side of the student union and visitor passes are available at Info Exchange in the Student Union.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
