

# Rapid City Local Runway Safety Action Team Meeting (LRSAT)

Do you have concerns about Runway Safety at the Rapid City Regional Airport? If so, the Local Runway Safety Action Team (LRSAT) would like to hear from you. Please contact the Rapid City Control Tower Manager Maurine Wrede if you wish to provide input to the LRSAT during this event. This LRSAT Meeting is part of the 2015 Annual Pilot & Airport User Meeting.

**Directions:** This meeting will take place at the Rapid City Regional Airport Fire Station Conference Room. Once you turn off Highway 44 north toward the airport, keep driving straight ahead and continue past the traffic light up the hill toward the general aviation hangars. The Fire Station #8 will be on your right and parking is available in front of that building.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
