

## 2016 SDSU East River Aviation Symposium IA

FAA Accepted IA Training Event (Course number: C-IND-IM-151214-K-006-001)  
Pilot Safety Event: Airworthiness, the new Airman Certification Standards, and Flying Safe with ATC.

This Event is Free to the public and is intended for Aircraft Technician recurrent training. Pilots are welcome to come to any or all of the IA recurrent training sessions and there will be a breakout session for pilots from 1-3pm. There will be lunch provided on site with a free-will donation to support additional training events. Please register online to help with an accurate count.

**Directions:** The IA renewal training event will take place in the main hangar at Brookings Airport, the pilot session in the afternoon will take place upstairs in the briefing room. WINGS credit will be available at each meeting.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
