

FAASTeam Safety Seminar

Medical certification and knowing the requirements is a pilot's responsibility. FAA Designated Aviation Medical Examiners (AMEs) continue to be a valuable asset and resource for our aviation communities throughout the country. This safety seminar will provide opportunity for you to hear about the most recent changes regarding medical certification. Don't miss out on hearing from Dr. Robert G. Allen Jr., M.D.

Directions: Spearfish Airport

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
