

EAA Chapter 289 Pancake Fly-In and Safety Seminar

The following are topics of presentation and discussions: Announcing your aircraft position/location Talking to other traffic Traffic pattern entry Flying etiquette Preparing for flight into class D (and larger airports) Talking to approach, tower, and ground controllers Local common sense topics
Don't miss out on this great time to socialize and meet other pilots.

Directions: The seminar will take place in the main dining area of the EAA building, after the pancake breakfast.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
