

South Dakota FAAS Team presents:

Ground School Refresher Course

Come and join Denny Martens as he reviews many of the basics every pilot must know. Instructor Martens has taught many years as an experienced pilot and certified flight instructor. Denny is a FAASafety Team Representative and has been nominated to receive the FAA Wright Brothers Master Pilot Award.

Topics of this three-hour ground school refresher will be: Loss of Control Stall/Spin Awareness Basic Aerodynamics Aircraft Operations Airspace & Requirements Communications Performance Speeds Takeoffs & Landings Traffic Pattern Operations

This ground school refresher course can be used to meet the ground knowledge requirement for a flight review under the Code of Federal Regulations (CFR) Part 61.56.

Directions: This event will take place in the Main Airport Terminal Building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
